➤ Go to www.viparis.com/epex

ADDITIONAL FITTINGS FLOORING

APS

DESCRIPTION	UNIT PRICE (excl VAT)
Technical flooring (drilling prohibited), H. 0.12m – 350kg/sqm max – including 10% of hatches for utilities.	€ 21/sqm
Disabled access ramp : Module 1 m x 1 m	€ 60/ unit
Finishing floor : 19mm raw board to be covered (carpet, lino...)	On quote

The technical flooring supplied is not a finished floor.

It is mainly used to up-level a stand for service ducts needs (electricity, water, drainage, etc). Should you wish to cover it with a parquet floor, lino or other, we recommend using a chipboard fist. We remind you that drilling in the technical floor is strictly forbidden.

Important : In accordance with the Decree no. 94-86 of January 1994 pertaining to disabled access in premises open to the public, stands comprising a floor must include a wheelchair ramp.

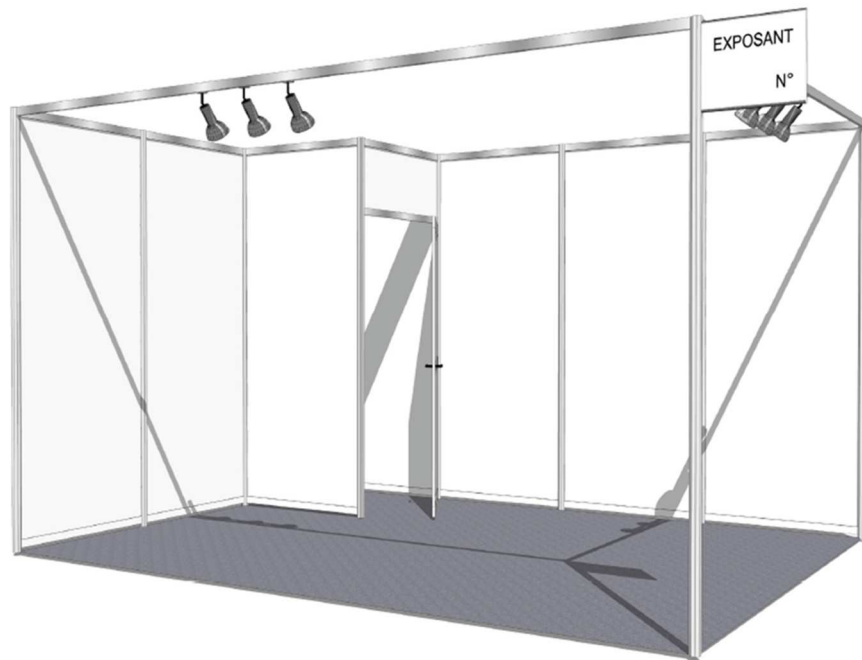

Colour chart

DESCRIPTION	UNIT PRICE (excl VAT)
